SUMMARY

Detail-oriented Computer Science undergraduate (4th year) with hands-on experience building full-stack, animation-driven web applications using React, Three.js, and GSAP. Solid foundation in data structures and algorithms strengthened through consistent competitive programming in C++. Committed to writing clean, high-performance code and eager to contribute to a dynamic software development team.

SKILLS

Languages: C++, C, JavaScript, HTML/CSS

Web & Frameworks: React.js, Three.js (React Three Fiber), GSAP, Tailwind CSS, EmailJS

Tools & Platforms: Git, GitHub, Vercel, VS Code, Google Search Console

CS Fundamentals: Data Structures & Algorithms, OOP, Competitive Programming

PROJECTS

Personal Portfolio Website | *React, Three.js (R3F), GSAP, Tailwind CSS*

- Built a 3D interactive hero section featuring a mechanical keyboard model with real-time mouse-tracking rotation using React Three Fiber.
- Implemented scroll-triggered animations (GSAP SplitText, BorderGlow carousel) across Hero, About, Work, and Contact sections for a polished, motion-driven UX.
- Integrated a working contact form via EmailJS and deployed on Vercel; configured Google Search Console and sitemap for discoverability.
- Added an AI-powered chatbot to assist visitors and answer questions about the portfolio and projects in real time.

Cocktail-Themed Landing Page | *React, GSAP*

- Designed and built an animated marketing landing page with scroll-based storytelling and GSAP timeline animations.
- Focused on smooth transitions and visual pacing to create an immersive, brand-driven browsing experience.

Competitive Programming Practice | *C++, LeetCode*

- Solved 100+ problems spanning arrays, dynamic programming, binary search, and string matching (e.g., rotated sorted arrays, Climbing Stairs, House Robber, Regular Expression Matching).

EDUCATION

Bachelor of Science, Computer Science

SR International Institute of Technology, Rampally, Dayara, Keesara, Hyderabad — Expected September 2027

Intermediate Certificate (MPC)

Narayana Junior College, Madhapur, Hyderabad — April 2023
